Summary

I am a passionate and ambitious Web Developer actively seeking full-time opportunities to showcase my skills and contribute to exciting projects. My expertise lies in the MERN Stack (MongoDB,Express.js, React.js, Nodejs),enabling me to excel in both frontend and backend development and I extensively learned from various online resources, especially YouTube tutorials.

As a lifelong learner, I continuously strive to stay updated with the latest industry trends and technologies. I firmly believe in knowing exactly what I want in life, and for me, it's a rewarding career in web development.

If you're looking for a dedicated Web Developer with technical prowess and creative flair, I would be thrilled to connect with you.
